You have different possibilities to learn German. We strongly recommend all non-native German speakers to improve their language skills in German. You can attend a course at aim academy on Bildungscampus.

**Aim Language Courses**

Since 2022 we offer online courses as well as intensive courses in Schwäbisch Hall, both in cooperation with the Goethe Institut. For more information please contact the Student Service Point.

We also have a cooperation with the VHS and courses at levels A1, A2 and B1 are offered at the Bildungscampus.

Goethe Institut:

- a) on-site: schwaebisch-hall@goethe.de
- b) online: inform directly through the instructor of the course

Since the courses are free of charge, the organizers need to know if there is a sufficient reason preventing you from attending the course.

If you fail to observe this rule, you’ll be suspended from all courses for the entire semester.

How the registration works: Tutorial
CampusCard & TUM Student Card

Please note that you will receive two student ID cards: the TUM Student Card and the CampusCard. You need both cards, because they have different functions.

As a student of the TUM Heilbronn Campus, you will receive the TUM Student Card for all student services at the TU Munich and for services offered by the Munich Student Union as well as outside the University. You will also need the Student Card, for example, for student discounts on admission to museums, theaters, swimming pools and other facilities, for subscriptions to newspapers and magazines, etc. You will receive the TUM Student Card directly from Munich by mail, if you are completely enrolled and have entered a German address in TUMonline.

Your CampusCard has other functions: you can use it to pay in the cafeteria, at the café, at the vending machines and in some residence halls. It is also used to pay parking fees and for access to the LIV library (including book lending). The CampusCard is valid only for the Heilbronn Bildungscampus. To receive the card, you must be completely enrolled. Then you will receive an email with the link where you can start your registration. More information at:

Public Transportation

The public transportation network runs buses and suburban trains (“Straßenbahn”) in Heilbronn. The same ticket is valid for all forms of public transportation – i.e., you do not need a different ticket if you move from train to bus. A valid student ID allows you to use the “Stadtverkehr Heilbronn” (Zone A) free of charge at the following times: on work days from 7:00 p.m. onwards, at the weekends as well as on public holidays throughout the day.

The most common mean of transportation in Heilbronn is biking. The bike paths are well developed and it is easy to get around by bike due to the size of the city. Taxi service is a relatively expensive choice of transportation.

Starting December 1st, 2023 the JugendticketBW will no longer be sold for students younger than 27. It will be replaced by a discounted Deutschlandticket: D-Ticket JugendBW, which has the same conditions as the Deutschlandticket.
For 365 euros a year, young people from Baden-Württemberg will then be able to use public transport throughout Germany. If you already own a HNV JugendticketBW, you don’t have to do anything. All those who already use a HNV JugendticketBW will automatically receive a new ticket by post from HNV.

**D-Ticket JugendBW**

After the 27th birthday, the D-Ticket JugendBW can no longer be purchased. For students there is then - as before - the HNV/KVSH Semester-Ticket (PLUS) or the 3-Month-Ticket DHBW (students of DHBW Heilbronn).

**HNV-Semester-Ticket**

For Students aged 27 and older, the monthly 49 € ticket is also available, if they wish to travel throughout Germany.

**Deutschland ticket**

You can get it at:

**KundenCenter Heilbronn HNV**
Olgastrasse 2
Phone: 0049 (0) 7131 8888 6-0,
Email: info@h3nv.de
Opening hours: Monday to Friday from 9:00 a.m. to 12:00 p.m. and from 1:00 p.m. to 5:00 p.m.
